**NOTES:**

- We need to prepare simple workshop tools
  - Railway, steel chisel, Hammers (small, normal & oft head)
  - Pairs of pliers (normal and long nose)
  - Tin Snips (straight and round cutting)
  - Flat break (tinsmiths know this)
  - Roller (optional)
  - Screw Driver
- Arrange for visits to markets / groups/ communities where we can make sales demonstrations (sales Trip)
- I can share a template of fliers that we shall use during the Sales trip. DO you have other resources like transportation?
- We need to organize some training certificates for participants
- How many participants are expected to participate in the 6-day training, do they live around Lusaka?
- We plan to arrive on Saturday morning 25<sup>th</sup> August 16, 2018 so that we can look around for possible tools, and depart on Sunday 26<sup>th</sup> August, 2018.
